Meeting called to order by Pres. Joyce Breland
 Treasurer's Report given and approved.
 Pres. Joyce Breland introduced guest speaker, Jan Alpert.
 Jan Alpert is past president of the National Genealogy Society and is well known to the membership for her excellent presentations. Her topic for the day was "Solving Brick Walls". She gave several reasons for encountering brick walls, among those were : Working from incorrect information and not thinking creatively enough. She passed out a sheet which introduced the Genealogical Proof Standard:

- Do you have original source?
- Do you have primary information?
- Do you have direct evidence?
- Have you conducted reasonable exhaustive search?
- Have you analyzed the information?
- Have you written a sound conclusion?

Ms. Alpert gave a number of interesting case studies where brick walls were solved.
 Meeting adjourned.
 Those attending were:
 Jan Alpert, Doris Bales, Julie Bell, Cathy Branham, Joyce Breland, Joan and Johnny Hiott, and Mitty Hughes.

MEETING HIGHLIGHTS
November 08, 2015

Meeting called to order by Pres. Joyce Breland.
Joyce Breland announced the Warren Cousins of Warren Township, Colleton County, South Carolina Descendants of the Brothers George and Paul Warren by Millie Warren Brunson had been purchased and had been placed in our Genealogy Library.

Introduction of guest speaker Mr. John Steele.
Mr. Steele gave a very interesting presentation on the history of photography, with some interesting scenes of the local area. Much can be learned from photographs. Clothes worn tell when the picture was made and probably social status of the individuals photographed. Mr. Steele suggested that information about the individuals in the photograph be written in pencil on the back in order not to destroy part of the photograph. Mr. Steele discussed daguerreotypes, ambrotypes, tintypes, image cases, wet plate and albumin prints, cabinet cards, cartes de visite, stereographs, dry plates and gelatin prints. An excellent display of each were on exhibit by Mr. Steele.
