## NOTE THIS

The Columbia Chapter of the South Carolina Genealogical Society is sponsoring a new heritage program, *Founding Families of the State of South Carolina*, in celebration of the two hundred and tenth birthday of the State of South Carolina. Persons directly descended from an ancestor who was living in South Carolina when the state was admitted into the United States on May 23, 1788, or before, are eligible for membership in the permanent remembrance of their family history.

To qualify for membership, the applicant must be able to prove descent from the ancestor (male or female) by an acceptable record or records for each generation, including proof for the applicant. Current South Carolina residency is not a requirement for membership. The information that applicants furnish as proof of their lineage will be placed in the archives of the Columbia Chapter of the South Carolina Genealogical Society.

Applicants who qualify and are admitted to membership will receive a handsomely designed certificate. For more information on this project, or for an application form, please send a self-addressed stamped envelope to the Columbia Chapter, SCGS, P.O. Box 11353, Columbia, SC 29211-1353.

For additional information or questions, please feel free to contact Frances Osburn at (803) 788-4951 or W. T. Leverette at (803) 771-7877.
