**1850 Beaufort District SC Census**  
 Transcribed by Lawrence E. Jarrell  
 April 2000

Another much needed genealogy tool completed. Along with the previous transcribed census books by Lawrence E. Jarrell, this completes a small section of South Carolina. The work gone into this book was long overdue and will be a very helpful tool to anyone researching Beaufort District, SC.

**THE WALTERBORO NEWS**

April 11, 1873 -- F. G. Conniffie has been appointed Trial Justice by his excellency, the governor. This is a good appointment and will give general satisfaction to the vicinity of Smokes Crossroads.

August 2, 1873-- Taxes---We notice that the auditor is kept pretty busy receiving return of property. Tax payers should see to it that their returns are made before the 20th of this month, so as to avoid the addition of 50 percent to their personality.

August 2 1873---Loss of Life---At about dusk on Friday of last week, one of those terrible accidents which are common in large cities, but seldom in cities like this occurred at Smokes Crossroads..... Mrs. Lyons, who kept a store at smokes, attempted to fill a kerosene lamp while it was burning....J. M. Kinsey held the lamp while Mrs. Lyons filled it. The oil ignited from the blaze of the lamp causing an explosion that sounded like the report of a four pounder. (also mentioned in the article were F. G. Conniffie and Dr. J. M. Warren).

September 27 1873-- A militia Company to compose the 4th regiment is being organized at Smokes Crossroads. A meeting was to have been held last night for the election of Officers
