CHAPTER PUBLICATION PROJECTS

If you have a suggestion for a good publication project, please let us know. Selling our publications is the only way we have of raising money for our Archives.

"African American Cemeteries in Colleton County"

The Cemetery Committee has been very busy this past quarter. We've completed the Snyder's Highway corridor and have started working our way up Highway 21 to Ruffin. Members who have helped are Doris Lucas, Judy Ballard, Faye Elkins, Jane Litchfield, Sherry Cawley, Louise Lyons, and Myrtle Linder. The summer months are just too hot and the cemeteries are filled with 'creepy crawlies.' We should be able to finish the county this fall. If you'd like to help, contact Doris or Judy. We've just about completed breaking down the boundaries of the county townships. Then we can begin to place all the known cemeteries into the specific townships as they are today.

"Those Who Served"

We now have over 1800 individuals. If you know which of your ancestors were in the military and are buried in Colleton County please send the information to OSBC or Sherry Cawley. We want to include everyone who served. Include all the following information you can: Last name, First name, Middle name, date of birth, date of death, cemetery where buried, branch of service, rank in service, war or wars that they were involved, any special military honors, what division, unit, ship they were assigned to serve. Chapter include listing the names by which war or wars they served, names by military branch, by rank, by cemetery where they are buried, and alphabetical. We are also including explanations of military positions by branch of service and some military abbreviations. If you have never studied the military and have tried to research an ancestor who served, this will be a very good resource tool.

"Internal Revenue Assessment Lists for Colleton District, South Carolina, 1865 and 1866"

Judy Ballard has been working on transcribing from microfilm the alphabetical list of people living in Colleton County in 1865 and 1866. People were assessed by occupation, This information includes the Name, location of Post Office Address, Article or object to be taxed, Occupation, number in abstract, quantity valuation, rate of tax, tax per article and the total taxed.

Judy has finished with the proofing and is now working on the index. We should be ready to publish sometime this fall.

MEMBERSHIP

We continue to grow. Our membership is now at 96 members. We have some new members this year.

Take the time to see where they are from. If you live close by, give them a call. Always remember that everyone is welcome to all of our activities.

Islandton, SC

Narcissa Stephens
April 16, 1804 - March 14, 1868
Nee Rutledge. Wife of Reuben Stephens.
Born in Colleton Co, SC

Dear name, deep graven on my heart
Key-note of loves most pleasing strain
Whose music's thrill shall never depart
Love's purist poem once again
I'll read it o'er through willing tears
My heart shall still refreshment take
In memories of other years
Which were all bright for thy dear sake.
My sainted mother.

ANCESTOR CHARTS & FAMILY GROUP SHEETS

It's beginning to feel like Christmas and it's only July! Not only do we continue to get Ancestor Charts and Family Group Sheets, but you are also starting to send us your Family Bibles. Starting with this issue we will try to publish some of the fantastic research being done by our members. See pages 21, 22, 23, 24, 25, and 26.

ARCHIVES

We can't thank you enough for all your generous contributions to the chapter's Archives. It's not too late to do your 'spring cleaning' and pack up your unused genealogy collection of books and newsletters, magazines and journals. Be sure to include a copy of your own research. You know they'll be put to good use! If you're looking for a specific research book, let us know and we'll see if we have it. We'll make sure to include it in the archives collection we bring to the August workshop!

SC GENEALOGICAL SOCIETY'S FALL MEETING,

OCTOBER 1 AND 2, 2004

UPDATE: We hope you are making your plans now to attend the South Carolina Genealogical Society's Fall Meeting that will be held right here in River City. OOPS, we meant "Walterboro!" This is the first time our chapter has hosted anything of this magnitude and we want to have a strong showing of support from our members. A registration form is included in this issue. Hope you read the article that appeared in The Carolina Herald and Newsletter in No. 2, April, May, June 2004. [If you haven't received a copy, please let us know and we will try to straighten in out. On June 8th Doris Lucas and Sherry Cawley met with Dr. Mike Trinkley of the Chicora Foundation at Pon Pon Chapel of Ease Cemetery. The first thing he said was, "This cemetery is not in real bad shape!" However, he felt that there were a number of things that can be done to improve the conditions at Pon Pon. The Friday afternoon workshop will be very interesting. We'll provide chairs, a tent for shade, some refreshments-- we're even looking for a port-a-pottie. Be sure to bring gloves and old clothes. For more info, visit the chapter's website at <http://www.rootsweb.com/~scosbc/> or SCGS's website at <http://scgen.org>. See page 27.
