James Smith Family Changes

Suggestion only: Please change your records to reflect additional information. We apologize for the mix-up in the Rebecca Padgetts.

1. #20 Rebecca Padgett was not the daughter of Rebecca Smith and Job "Pomp" Padgett but actually the daughter of Job Padgett Jr. and Phoebe or Ferebec Carter. She was born Oct 17 1831 and died Feb 24 1921 buried in Hagan Cemetery, Smoaks, SC (some family members say Rebecca Padgett Smith is buried Getha Smith Cemetery in an unmarked grave).
2. #68 Job Padgett born about 1834 was not the son of Job Padgett Jr and Phoebe or Ferebec Carter but actually the son of Isham "Cap" Padgett and Sarah Ann Brown. Job Padgett and his wife Lavinia show up in the 1880 Census with **nephew** J. Scott Padgett
3. #56 Rebecca Padgett daughter of Isham "Cap" Padgett born about 1835 and died before 1880. We assume that she passed away before 1880 Census due to her son Scott living with his uncle Job Padgett and his wife Lavinia in the 1880 Census. It is believed that she may have married a Mr. Drawdy.
4. The Rebecca Padgett born May 01 1838 in Colleton County, SC died Dec 21 1884 in South Carolina buried in Hagan Cemetery. (Her parentage still being researched). She was listed as the daughter of Isham and Sarah Padgett. Sorry for the mix up in the Rebecca Padgett's.
