MEETING HIGHLIGHTS September 8, 2019

Joyce Breland, President brought meeting to order. Larry Ulmer presented Treasurer's Report. New copier was installed at Research Center.

Joyce Breland introduced our speaker of the day, Mr. Herbert "Bing" Chambers. Mr Chambers Noted Author, a native South Carolinian, graduate of University of South Carolina and Vietnam Veteran.

Mr. Chambers spoke on his quest to find unidentified soldiers who died in the Civil War.

William Johnson was hired in 1862 by the United States Legislature to keep records of the deaths. He did so until 1864, he (refused to give the records to the Legislature). He was replaced by William J. Rivers who worked until 1870 and accumulated about 13,000 names (he worked unfunded from 1867-1870). The records kept by commanding officers of each unit were transcribed to index cards and given to the veterans called the Roll of Honor and which were later published as Roll of the Dead by State Department of Archives and History. In 1995 Randolph W. Kirkland Jr published "Broken Promises" an alphabetical list of soldiers from South Carolina who died in this war. Mr. Chambers found about 600 names in the Artillery and about 600 in the Calvary who died and were not listed in these books. He compared all the names with compiled Service Records.

These names along with biological sketches were published in the first and second volumes of "And Were the Glory of Their Time". Mr. Herbert Chambers is working diligently on Volume III which covers unlisted names and biological sketches of those who died while serving in the Infantry during the Civil War. As of today, Bing has found about 3800 soldiers.
Meeting adjourned.

Those attending were: Cathy Branham, Joyce Breland, Mr. and Mrs. Herbert Chambers, John Hiott, Pat Johnson, Heather Tuten, Victoria Tuten and Larry Ulmer.
