**CoVid-19 And How it Has Affected CGS**

**The corona virus named Covid-19 reared its ugly head in Dec 2019. At present time it has effected every state and territory in the US. President Trump, along with our Gov. Henry McMasters have issued Stay At Home orders and requesting that only non-essential businesses be open. At this time, here in SC, we'll be under these guide lines until the end of May 2020. Some states have extended their own Stay At Home directives even longer.**

**Temporarily close our Research Center**  
**Cancellation of April and May Meetings**
