## LETTER FROM THE EDITOR

I regret the lateness of this newsletter. The Covid Virus struck. It landed your editor, her husband and another member of her family in the hospital, from the end of Jan thru the middle of March. She and her husband even shared a room in the Rehab Center. On a happier note they were able to celebrate their 59<sup>th</sup> wedding anniversary there. All are receiving extended health care at home. They are trying to get back into what was their normal life. I hope all of you are well and in good health. I hope to see some of you when we begin to have our regular meetings.
