Queries

WARREN

James Allen Gabel, 2556 Lindsey Drive, Rapid City, SD 57702-4758

Looking for descendants of, or any information on the children of Thomas WARREN (1799-1852) and Anne M. Warren (abt. 1812-1852) of Walterboro, Colleton County, SC. They had nine children: Emma Catherine (1833-1923) married John Daniel Edwards, Jr. (1838-1910), Lawrence (1835-?), Thomas E. (1837-1843), William Warren (1838-?), Eliza (1841-?), Rebecca (1842-?), Mary S. (1844-?), Sarah M. (1846-?), and John Bowles (1848-1927). Thomas and Anne Warren are buried in the Bethel Church Cemetery. John and Emma Edwards and John Bowles Warren are buried in a plot in Live Oak Cemetery. John and Emma Edwards had ten children, only one of who survived to maturity according to the 1900 census. That son was Lawrence Warren Edwards, who married and had two children.

Is also looking for any ancestor data, including maiden name of Anne M. (?) Warren.

Finally, is seeking the ancestry of Thomas Warren, particularly his father. John Dalton Warren (1802-1885), executor of Thomas's estate was probably his brother. Also, of the same generation was George Warren (1803-1839); probably a cousin. John Warren (?-?) married Anne Dalton (?-?) in 1751 in Colleton District. They had at least six children: Mary (1752-?), John D. (1757-?), William Baker (1768-?), Thomas (1761-?), Sarah (1766-?), and John (1759-?). Which of these men is the father of Thomas Warren? For that matter, How are the rest of these Warren's connected to the other Warren descendants in Colleton County? Would like to correspond and share data with anyone on this ancestry.

Census Days 1790-1940

Did you know that one day in each census year was designated as census day? The enumeration began that day, and its report was to be correct as of that day. Each household was to include all persons living at the house on that day, regardless of when the census taker acutally visited. Persons who died after census day but before the census taker came were to be listed as if they were still alive. Babies born after census day were to be omitted.

1790, 1800, 1810	Apparently the first Monday in August
