James E. Williams Family Additions and Corrections
(Volume 17 Issue 2 Apr – Jun 2009)

Barbara wife of Henry M. Williams was listed as 50 (not 52) in 1850 Census however just two years later her obituary in Southern Christian Advocate has her age as 70.

Clarification on the name of James E. Williams (born 1825) wife as **Mary "Molly" May**. In 1860 Census James E. Williams was the head of the household listed at age 39, single, and occupation as Lumber getter. Living in his household was another person Jacob May age 21. In 1870 James was married to Mary and had two children Henry and Barbara. Living with James and Mary were Mary's two children from her first marriage with Mr. Cooner. They were Louellen age 12 and Henrietta age 10. In the 1880 Census Mary Williams was widowed. Based on age of eldest daughter Mary May and Mr. Cooner probably married about 1857. Henry Jacob Williams (son of Mary May and James E Williams died in 1934, his obituary listed his mother as Molsbey M. Williams.

Rebecca Black wife of Molton "Mote" or "Moton" Williams died Aug 31 1885 (not Aug 31 1896).

Sarah Caroline Williams daughter of Abraham Taylor Williams was born Feb 06 1867 (not 1869).

Thomas Raysor Williams' Tombstone shows he was born April 5 1853 however family bible records indicate he was born April 05 1852. His obituary in the Press and Standard indicated he was 55 years of age. We believe the family bible has the correct date.

Alfred W. Williams and Elizabeth Muckenfuss were married Mar 05 1840.
