 October 14, 2012**

David Hiott called meeting to order. Request of membership names and address submitted to SCGS as requested. Membership enrollment has ended for 2012. Dues are now being accepted for 2013. Treasurer/Archivist to review Huxford book sale items to see if any items are pertinent for our collection. Ranger John White invited OSBGC for free tour of Rivers Bridge Historic Site. Board expressed interest and to see if a mutual and convenient time could be arranged. We discussed potential long range plans as far as location and possible partnering with the Colleton Museum. All present were in favor of continuing dialogue with the county administration and council, as well as the museum staff, to see where this may lead. The potential for the Colleton Genealogy Center to be open 5 days a week is an attractive prospect. The museum is currently working with Larry Ulmer to find a server large enough in which to place our large collection of county school yearbook scans. Our director, Larry Ulmer, was then asked to give his report. All members were dismayed to hear of difficulties directed at him by some SCGS officers. We express our appreciation to Larry Ulmer for many year of dedication, volunteer service to OSBC and to SCGS, including his splendid work as State Treasurer, Membership Chairman, and Webmaster.
